

Introducing the Ready Bottom™ Kit

PRT's Universal Replacement Bottom Solution

All containers are not created equal. Replacing bottoms sometimes requires extensive pre-fab inventory, storage space or extended waiting periods for custom sized bottoms. But not anymore!

Introducing the Ready Bottom™ Kit, our patent pending solution to replace bottoms in 60 minutes or less without the hassle of miscellaneous sizes. We created three adjustable sizes to cover 90% of your inventory.

Why Use Ready Bottom™?

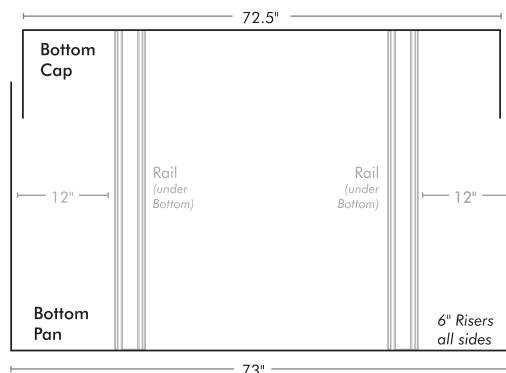

- Fits containers from 36" to 90," with 3 patented sizes.
- 6" Risers with true 90 degree bends save installation time.
- Reduce downtime waiting for custom size replacements.
- Repair multiple size containers with one product.
- Nested stacks of 10 include rails and require minimal storage space.
- In stock and ships within 24 hours.

In Stock and ships within 24 hours!

THREE CONVENIENT SIZES TO CHOOSE FROM

ITEM CODE	DESCRIPTION	FITS	SOLD
